FOR IMMEDIATE RELEASE

Small Business Month Launched with Chamber Bucks Giveaway

Flemingsburg, KY – You may be hearing the terms ‘shop local’ a lot these next few weeks. That’s because May is Small Business Month and May 1st through May 7th is National Small Business Week. The importance of supporting local business is more important now than ever. To help support our local economy, the Fleming County Chamber of Commerce is giving away \$25 and \$50 in Chamber Bucks to lucky winners each week. Drawings will be held on May 13th, May 20th and May 27th and winners can be found on the Chamber’s Facebook page @flemingkychamber.

“We encourage community members to do their part in helping our community grow and thrive by shopping local,” stated Chamber Executive Director, Crystal Ruark. Each dollar spent at an independent business returns 3X more money to our local economy than one dollar spent at a chain or an online mega-retailer.” That’s why it is so important to shop local! Chamber Gift Checks allow an individual to shop at over 60 participating Fleming County businesses.
