## FOR IMMEDIATE RELEASE

### ***FC Chamber Celebrates “Support Your Local Chamber of Commerce Day”***

**Flemingsburg, KY** – The Fleming County Chamber of Commerce is happy to celebrate “Support Your Local Chamber of Commerce Day” this year. On the third Wednesday of October every year, it is time to think about your local Chamber of Commerce and the difference it makes in the community in which you live and work.

Local Chambers are key players in understanding the needs and interests of the people they serve. When your Chamber is active, it can promote and make a difference in the community in which you live.

On this “Support Your Local Chamber of Commerce Day”, we renew our commitment to Flemingsburg-Fleming County, and hope to continue to be the bridge that provides information, opportunity, and business development to our invested businesses and community members.

We appreciate the support we receive from so many individuals, and we will continue to work tirelessly to support and stay engaged with the needs of our area.
